East Milton Dental is a very unique dental practice. Dr. Kate Sweeney Regan and her staff take the time to get to know each patient as individuals and then tailor their treatment options to the patient's specific dental needs. Dr. Regan's passion to provide an exceptional level of dentistry has led her to undertake extensive training in cosmetic dentistry and implant dentistry. However, with two young children of her own, she also loves caring for her pediatric patients. East Milton Dental is a true family practice where Dr. Regan and her team provide individualized, comprehensive, and compassionate care.
